We would like to gain your thoughts and opinions on advocacy priorities that can be considered by our network for future work.

Please select the top three issue areas you feel are more important:

(People can select “Most Important”, “Somewhat Important” or Not as Important”

1. Community Accessibility
2. Employment
3. Education
4. Health care
5. Housing
6. Transportation

10. Other

For those that select Most Important, they will be given the opportunity to say why it is the top priority.

For those that select Most Important, they will be given the opportunity to say what can be changed now about this.
