

The Ohio Statewide Independent Living Council's Why IL Campaign

Thank you for participating in the Why IL campaign. We have developed five different sets of questions that you can share for people to respond to.

All responses collected will be unveiled in October as part of the 30 Year Anniversary Celebration of the SILC.

About the Questions

IL Philosophy – These can be completed by anyone, SILC Members, CIL Staff, CIL Board Members, and consumers.

Consumer Personal Story – These questions are specific to individuals that have worked with your CIL that are willing to share how working with the CIL has impacted them personally.

CIL Staff – These are questions for CIL staff to be able to share what they do at their Center, the impacts they have on individuals and in the community. This will help to show more of the work done in CILs.

Center Impact In the Community – These can be done by anyone that can share why CILs are important in working in their community. It could be about advocacy accomplishments, partnerships with other organizations, or any other aspect that the CILs work in the community.
